Bruce—

I don't think there was ever a time in our lives that we actually didn't mind spending this kind of money on ANYTHING.

Knowing we were in good hands gave us a comfort level we're not used to having. You've established such a level of **TRUST** with us over the years that I'd probably hand over my first born!

We have nothing but great things to say about your whole team. Ron, Chandler and Philip were fantastic. I had no qualms about leaving the house and leaving them to it. Even my own company makes us stay while the techs are working on our alarm. These guys were neat, clean and professional on all counts. They all went above and beyond. They cleaned up my whole system. In fact, they were so thorough that Philip even noticed that an upstairs window was open while checking before he left, and reminded me to close it!

So, you all **ROCK!** Since I passed Ron & Chandler on the road and missed them, would you please hand them these envelopes as a token of our appreciation for a job **VERY** well done! Thank you for always being the most solid, professional and knowledgeable and **TRUSTWORTHY** man we know. Your integrity speaks volumes.

Everybest . . .

Gabrielle & Lenny
